

# SHERWOOD FOREST CELTIC FESTIVAL & HIGHLAND GAMES 2011 FOOD OFFERINGS

## BROU ha ha BOOTH 110

### Satyr 'Matyrs with Frilly Fritter (v)

A sinfully delicious vegetarian dish that will surprise you with every bite. Sweet grape tomatoes are surrounded by an herbed goat cheese and cream cheese mixture that is dredged in extra virgin olive oil and then rolled in toasted almonds. And if that wasn't enough these scrumptious little items are served with an absolutely fabulous tempura vegetable fritter with zucchini, red bell pepper and spinach.

### Scotch Egg

A hard-boiled egg lovingly wrapped within a handmade pan sausage mixture containing a wonderful array of carefully selected spices. The item is then hand breaded and deep fried to produce a savory sensation for any time of day.

### Ogre Toe

Homemade candied bacon bits that are surrounded by a delectable mixture of pan sausage and an exceptional mix of spices that are unique and amazing. Wrap that in bacon strips and cook it on a grill. Lick your fingers and don't waste a drop.

### Dragon Toes

Chicken strips marinated in an incredible homemade concoction, wrapped in bacon, seasoned with our own "Dragon Spice" and smoked until almost perfect. What makes them perfect is that last little kiss of fire from the grill that gives these precious mouth watering delectables that little char from the dragons breath that puts these babies over the top.
